## Rinnai HOTFLO Electric Storage Hot Water Systems

### Introducing the new Rinnai HOTFLO range of Electric Storage Hot Water Systems.

At Rinnai, we draw on years of experience in providing the best in hot water for Australian families. Our quality range of Electric Storage Hot Water Systems are available in various capacities, ranging from a compact 25L, through to a large family size 400L storage cylinder. We also have a complete range of element sizes, minimising change-over costs. These capacities have been designed to suit the changing water usage patterns of Australian families. Why pay to heat excess water that you won't use?

#### Benefits at a glance:

- Full range of capacities to suit all requirements 25 to 400 litres
- Easy to install left or right handed coupling
- Suitable for internal and external use
- Standard sizing perfect for emergency changeover getting you back up and running fast
- Rinnai quality and durability

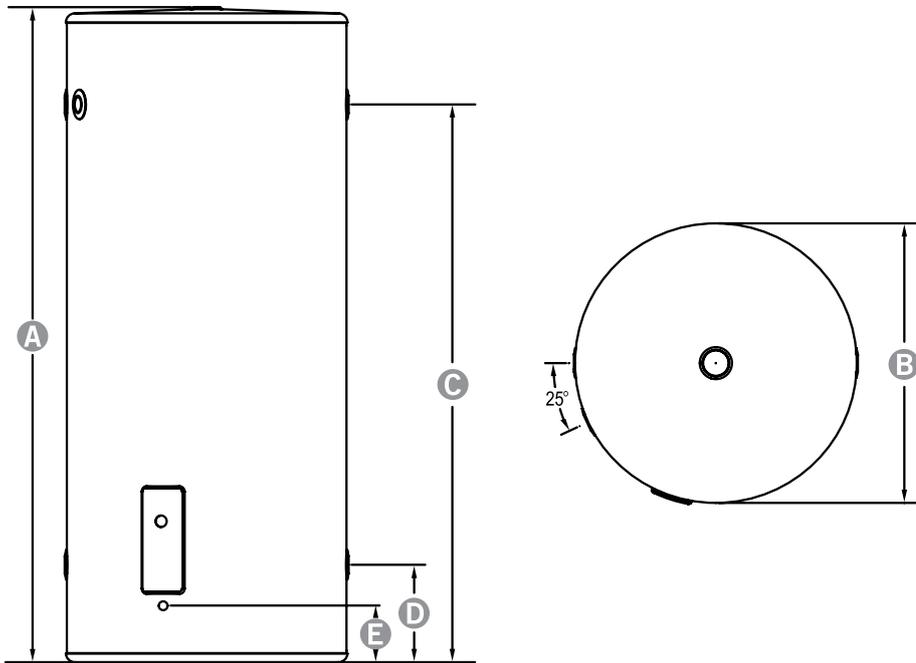

Experience Our Innovation
